The Washington County Fair Park does not permit you to attach anything to the walls, but they do allow easels and shelves provided they do not block the aisles or exits. We will take reasonable precautions to safeguard the property and interest of both exhibitors and vendors. However, neither the Washington County Fair Park nor the Kettle Moraine Railroad Heritage Association, Inc. is responsible for injury, loss, damage, etc to persons or property for the duration of the event.

Previous meets have been very successful and we do considerable advertising for this show. We promote the event in the newspapers, on the radio, and on social media. The Fair Park will also be assisting us with advertising. We also distribute flyers at train shows, hobby shops, clubs, and businesses in the Milwaukee, Waukesha, Fond du Lac, Kenosha, Racine, Sheboygan, and Washington county areas.

We thank you in advance for your participation.

Respectfully, *Dan Larkee*, President
